

BUILDING TRAINING SOLUTIONS FOR THE IT WORLD

## Project Management Program

**Days:** 5  
**Format:** Instructor-Led  
**Class Code:** PMP  
**Certification Exams:**  
**Certification Track:**

### Recommended Course Sequence

Knowledge of prerequisites noted below.

*Course content is subject to change without notice.*

### Course Description:

This comprehensive 5-day Project Management training course by CTREC Hilton IT Academy, Houston will have you exam ready, containing over 300 pages of material including test prep, as well as the the PMBOK 4th Edition as a reference guide. At the end of this course you will know the material to master the PMP exam, and as an added bonus, every student also receives a complementary 30-day subscription the to the MeasureUp PMP test prep (over 600 questions).

### Target Student:

The target student for this workshop is a project manager beginning to prepare for the PMP(r) certification exam or one who wants a capstone for preparation.

### Course Materials:

 Each student will receive:

- A copy of the PMBOK (Fourth Version)
- Study guide

### At Course Completion:

After course completion students will be able to:

- Prepare participants to successfully take the PMP(r) exam
- Introduce participants to the methods and tools of project management contained within the PMBOK(r) Guide, 4th Edition
- Provide an overview of the changes between the 3rd and 4th Editions so that participants can prepare for the exam either prior to or after June 30, 2009
- Provide students with ample opportunities to assess their readiness for the exam with module quizzes and a sample exam

## Course Outline
